CONNECT ACADEMY PROGRAM OVERVIEW

Grades Pre-K - 8th

Connect Academy provides a structured and supportive educational environment for students in Pre-K through 8th grade. We focus on developing academic, social, emotional, and behavioral skills through individualized instruction and therapeutic supports.

Connect Academy's mission is to provide a state-of-the-art therapeutic day program for students grades Pre-K through Eighth with varying disabilities. Through personalized instruction, small class sizes, and a dedicated team, we aim to meet the diverse academic, social, and emotional needs of our students using research-based programs and therapeutic approaches.

OUR INSTRUCTIONAL STYLE

- Academic curriculum aligned with Illinois Learning Standards and individualized to each student's IEP.
- Differentiated instruction that meets each student where they are and fosters measurable growth.
- Social-emotional learning embedded through structured lessons and therapeutic models.
- Integrated therapies including counseling, art, music, movement, and pet therapies to support emotional regulation and behavioral development.

OUR PROGRAM

Our highly trained educators, therapists, paraprofessionals, and behavioral analysts work collaboratively to create an engaging and inclusive environment.

- Class sizes of 10 or fewer with a maximum classroom student to staff ratio of 5:1.
- Clear behavior support systems focused on safety, consistency, and positive reinforcement.
- Strong collaboration with families to reinforce learning and progress at home and school.
